

# Transform Your Team with a Working Genius Workshop!

## HAVE YOU EVER...

- Felt drained by work that doesn't tap into your strengths?
- Wondered why some teams thrive while others struggle?
- Frustrated by meetings that are all talk, no action?

It's time to discover the genius you bring to your work and unleash the potential in your team with a Working Genius workshop, led by Cindy Bultema!

## WHAT WILL YOUR TEAM GAIN?

- Identify Your Team's Strengths
- Boost Morale & Productivity
- Diagnose Issues in Real-Time
- Void Dysfunction Before It Happens

## WHAT'S INCLUDED?

- 2-8 hours of interactive training
- Assessments and debriefs to map your team's strengths
- Team mapping charts and action steps to apply what you've learned immediately
- Morale-boosting activities that bring your team closer and make work more fulfilling

“

## WHAT OTHERS ARE SAYING

The training with Cindy was fantastic. Our team is still talking about how we can leverage this new information to better lead our department.
